Subject: Take the Diverse Learning Environments Survey for a chance to win a \$500 gift card
Date: Wednesday, February 22, 2017 2:55:40 PM

Dear Students,

We can't make Rutgers a more inclusive university without your voice! As you learned from Chancellor Edwards and Dr. McGinty, Vice Chancellor for Student Affairs, Rutgers University-New Brunswick is participating in the [Diverse Learning Environments \(DLE\) Survey](#). Please share your voice and [complete the survey](#). We need to understand your experience in the classroom in order to identify the structural changes necessary to create an academic environment where all students feel included and thrive intellectually.

The website for the survey is <http://go.rutgers.edu/YourVoice17>. Simply click the link or copy and paste the address into your internet browser's address bar to go directly to the survey.

Your participation in this [survey](#) is voluntary. Your responses to the questionnaire indicate your consent to participate (please read the "Survey Information Sheet" on the survey website for more information).

This survey is available to Rutgers University–New Brunswick undergraduate students who entered RU before Summer 2016 (sophomores, juniors, and seniors). Eligible students who complete the survey have multiple chances to win gift cards valued up to \$500. There are 76 gift cards left. Seventy-five gift cards have already been awarded! Additionally, the first 300 students who go to Rutgers Cinema after completing the survey will receive a free movie ticket to "I Am Not Your Negro" (for more information about the movie, visit <http://www.iamnotyournegrofilm.com/synopsis>).

For more information about the survey, please visit: <http://studentaffairs.rutgers.edu/your-voice/> or contact Dr. Dayna Weintraub at dayna.weintraub@rutgers.edu.

Thank you for participating in this important [survey](#) of Rutgers-New Brunswick. Your feedback will assist us in enhancing the student experience.

Sincerely,

Ben Sifuentes-Jáuregui

Vice Chancellor for Undergraduate Academic Affairs
